**Re: Public Body Project Approval Determination**

Dear Mr. Graves:

The Capital Projects Advisory Review Board's Project Review Committee has determined that the Port of Seattle has met the criteria established in Chapter 494, Laws of 2007, (2SHB 1506) for public body Project Approval.

The Port of Seattle is hereby authorized to utilize the Design Build alternative contracting procedure for the Renew/Replace 42 Escalators at Seattle/Tacoma International Airport project located in SeaTac, Washington.

Under the terms of the law you will be required to submit project data to CPARB during the delivery of the project. Please identify your point of contact for supplying required project data information to CPARB staff person, Adam Lawrence, at [DEdison@ga.wa.gov](mailto:DEdison@ga.wa.gov). Your point of contact will be notified when CPARB's data collection system is ready for input.

Congratulations on the approval of your application and good luck with your project!

Please contact Bob Dixon at (360) 902-7265 if you have any questions regarding this process.

Sincerely,
